TENTATIVE WASTE DISCHARGE REQUIREMENTS (WDRs) FOR PORT OF LONG BEACH CRUISE TERMINAL (File No. 09-093)

Dear Mr. Mes,

We have completed our review of your application to this Board for waste discharge requirements (WDRs) for your proposed discharge of wastes. Enclosed are copies of tentative WDRs and a monitoring and reporting program for dredging and disposal of dredged material from the Long Beach Cruise Terminal at Wharf H in the Port of Long Beach, Los Angeles County. A copy of our Standard Provisions and General Monitoring and Reporting Requirements are also enclosed.

In accordance with administrative procedures, this Board at a public meeting to be held on December 12, 2019 at 9:00 am will consider the enclosed tentative requirements and comments submitted in writing regarding any or all portions thereof. Please refer to the Los Angeles Water Quality Control Board website for the meeting location, Board meeting location is subject to change). The Board will hear any testimony pertinent to these discharges and the tentative requirements. It is expected that the Board will take action at the hearing; however, as testimony indicates, the Board at its discretion may order further investigation. The agenda for the meeting will be posted on the Los Angeles Regional Water Control Board's website

(https://www.waterboards.ca.gov/losangeles/board_info/agenda/index.shtml)

Approximately one week prior to the meeting.

Written comments or exhibits regarding this tentative Order must be received at the Regional Water Board office by 5:00 pm on November 20, 2018. Failure to comply with this requirement provides grounds for the Regional Board to refuse to admit the

proposed written comments or exhibit the evidence (Title 23 CCR Section 648.2). If materials are not submitted in a timely matter, the Regional Board may refuse to admit written testimony into evidence unless the proponent can demonstrate why he or she was unable to submit the material on time or that compliance with the deadline would otherwise create a hardship. If any other party demonstrates prejudice resulting from admission of written testimony or exhibits not timely submitted, the Regional Board may refuse to admit it.

If you have any questions regarding this proposed action, please contact me at (213) 576-6679 or via email at emily.duncan@waterboards.ca.gov.

Sincerely,
